

Class Booklists 2026

Dear Parents and Carers,

The books and equipment listed are the basic requirements for the 2025 school year at Blackbutt SS. Additional items may be required as the year progresses.

Would parents please print their child's name on all the books and equipment before they are brought to school. A cover on exercise books will also assist in protecting them.

Please ensure items purchased are of good quality as many of the items are required to last an entire year. We do not place an emphasis on any one brand however you are certainly encouraged to discuss preferences with your child's teacher. Please ensure all items are purchased and ready to be brought to school on the first day of school next year.

If you have any questions concerning books or equipment for your child please don't hesitate to contact the school.
