

# Class Booklist - 2026

Dear Parents,

The books and equipment listed are the basic requirements for the 2026 school year at Blackbutt SS. Additional items may be required as the year progresses.

**Would parents please print their child's name on all the books before they are brought to school. Please ensure items purchased are of good quality, as many of the items are required to last an entire year. We do not place an emphasis on any one brand however we have given some options of items that have been found to be better brands that last all year.**

Please ensure all items are purchased and ready to be brought to school on the first day of school. A library bag will be given to your child upon enrollment.

If you have any questions concerning books or equipment for your child please don't hesitate to contact the school.
